Sub: Provisional Recognition - Reg.

Dear *Dr. Gulati,*

This has reference to your application to the Distance Education Council requesting for recognition of programmes offered through distance mode by your university.

We would like to inform you that your university has been granted provisional recognition for offering programmes (approved by the statutory bodies of your university) through distance mode for a period of one year w.e.f. the date of issue of this letter or till the expert committee finalizes its report whichever is earlier.

However, it is the responsibility of the institution/university to follow the norms prescribed by the concerned authority or seek its recognition for professional/technical programme/s as per the requirements. Getting approval of concerned statutory apex body for relevant programme/s will be the responsibility of the institution.

An expert committee constituted by the Chairman, DEC will visit your institution shortly on dates suitable to the committee members and your institution. You are also requested to submit a fresh application in the prescribed format from the revised handbook posted on our website: www.dec.ac.in.

We would also like to inform you that the Distance Education Council has decided not to insist on territorial jurisdiction to be followed by institutions in offering programmes through distance and online modes and on that matter universities should be governed by their own Acts and Statutes.

With regards,

Yours sincerely,

Swaraj Basu
